Frank Hoeffler, Juror

This year's exhibition was judged by Milwaukee-area artist Frank Hoeffler, who holds a fine arts degree from the University of Wisconsin-Milwaukee Peck School of the Arts. Hoeffler has been painting for more than 50 years and works in styles ranging from realism and impressionism to abstract. A veteran of the National Guard and the Air Force and a former air traffic controller, Hoeffler has been named a Top 60 Master Artist by Arttour International Magazine for four consecutive years. His work has appeared in juried exhibitions in major museums and galleries throughout the United States and Europe. He also regularly juries exhibitions and leads workshops throughout southeastern Wisconsin.

**The exhibit is in our galleries
through April 19.**
